

BioClean 100™

NON-STERILE AMBIDEXTROUS LATEX CLEANROOM GLOVES

BLA 3

BioClean 100™ non-sterile powderfree ambidextrous latex cleanroom gloves are packed in sealed plastic inner bags and further wrapped in an outer sealed bag for total cleanroom compatibility.

Our ambidextrous latex cleanroom gloves are elbow length, 400mm (16"), for added user protection. Particulates and extractables are minimised by extended washing, which ensures ISO Class 5 compatibility.

These gloves are economical in use and are extremely low in latex allergens, which ensures wide user acceptance. They are available in a range of sizes to suit all users.
